## Copyrights and Trademarks

This web site is produced by Verso. The content of this site is protected under applicable copyrights and trademarks laws. You may print a single copy of the content for your own personal noncommercial use, provided any copy of these documents that you make retains all copyright or other proprietary notices and any disclaimer contained thereon. The further copying, redistribution or publication of any part of this site is prohibited. If you link to any third-party web sites from this site, you should follow the copyright provisions of those sites. Products references (® and TM products) on this site are either trademarks or registered trademarks of Verso or one of its affiliated companies, unless otherwise specified.

## Site information

Verso makes reasonable efforts to provide accurate and current information on this site. However Verso makes no representations or warranties, either express or implied, of any kind related to the information provided. Verso reserves its right to make additions, deletions, or modifications to the information at any time without prior notification. Information related to product(s) is for use by technically skilled persons at their own discretion and risk and does not relate to the use of any product in combination with any other substance or in any process. Because the possibilities and application conditions of our products are many and varied, and lie beyond our control, it is the duty of the user to verify the compliance of its contemplated use with applicable laws and regulations. We can therefore in no event be held liable in case of utilization of our products, which is not in compliance with legislation and regulation applicable in the country of the user. This is not a license under any patent or other proprietary right. The user alone must finally determine suitability of any information or material for any contemplated use, the manner of use and whether any patents are infringed.

## Access and hyperlinks

You agree that all access and use of this web site and its content is at your own risk. The links displayed in this site can give an access to sites submitted to the laws of other countries. Therefore, all information, data about products or their various uses and/or applications set out in these different sites will only be valid under applicable laws and regulations of those countries. It is therefore the duty of the user to check their compliance with its own applicable laws and regulations. This site may provide links to third party web sites. Verso shall not be responsible for accuracy or any other aspect of the information contained on such sites and shall not be liable for any damages or injury arising from your access to such sites. Links to other sites are provided only as a convenience and at your own risk.
